RÌGH RESIDENCES

GEORGE STREET

Situated on the corner of Edinburgh's iconic George Street, The Residences offers 25 luxury serviced apartments ranging from cosy studios to a penthouse suite.

Apartments feature fully equipped kitchenettes, flexible interconnecting apartments, climate control & Sky TV. Private en-suite bathrooms are packed with luxurious amenities by Laura Thomas, high quality linen, fluffy bathrobes & slippers.

Our luxurious apartments are the perfect blend of both modern convenience and vintage charm. The Residences offer self-service check-in on our app, and in-room tablets provide room controls, a local guide, and guest services at the touch of a button. Traditional hotel services such as housekeeping and free luggage storage pre/post stay are offered.

Whether you're here for a short stopover, a longer city break, or an extended stay, our apartments and suites cater to both business and leisure travellers.

Upon arrival at RìGH Residences, you are immediately transported to the rich history of Edinburgh. Our listed Edwardian building is

a true architectural gem and neighbourhood landmark. Located on the corner of Frederick and George Street in the prestigious New Town area, it is the ideal base for exploring all that Edinburgh has to offer, with easy access to the city's top attractions. Edinburgh Castle is steps away, St James Quarter is around the corner, and key transportation links are just at your fingertips. We are a stone's throw from Princes Street Tram Stop and a short walk to Waverley Train Station, the key transport links to neighbouring cities and Edinburgh Airport.

Built as a residential area for the affluent in the 18th century, the New Town, including George Street, was designed to be a haven away from the overcrowding of the Old Town. It later became a hub for banking, leaving a legacy of grand architecture, such as our own RìGH Residences at 71 George Street.

During the Victorian era, George Street evolved into a premier destination for high-end shopping and dining, a tradition that continues to this day. At RìGH Residences, you'll be perfectly positioned to fully immerse yourself in Edinburgh's history and culture, and create unforgettable memories.
